

## Getting to Rosella Cottage (Postcode Y018 8RA)

### By Road

**From York (to the South)**, take the A64 route towards Scarborough. At the Malton by-pass, take the A169 (North) towards Pickering. In Pickering you will come to a roundabout with a large Hotel (the Forest and Vale).

Turn left here on to A170 towards Helmsley.

Travel along this road over a small bridge and through the traffic lights.

Continue through Pickering towards Helmsley on the A170.

Once through the village of Aislaby (still on the A170), you will see a right turn signposted to Rosedale Abbey, Cropton and Wrelton.

Take this right hand turn.

This road snakes through the villages so just keep on the road and don't turn off until you reach Rosedale Abbey.

Rosella Cottage (6 Rosedale Abbey) is in the centre of the village (opposite a public car park of the Milburne Arms Public House).

**On other routes from the West, SW or SE**, head for the A170 linking Thirsk to Scarborough. Travel in the correct direction (if coming from the West, SW or SE) until you reach the village of Aislaby, then follow instructions as above.

**On routes from the North** (Middlesbrough, Newcastle) and Scotland, aim for the A19 towards Thirsk.

From Thirsk, turn onto the A170 towards Helmsley.

Pass through Helmsley and head towards Aislaby.

Follow the instructions above for the remainder of the trip.

### By Rail

Malton or Whitby are the closest train stations. York is probably the most practical for hiring a car and driving the remainder of the trip.

### By Sea Ferry from Europe

Ferries from Northern European ports arrive into Hull (to the SW) and Newcastle (to the North).

### By Plane

Local national and international gateway airports include Durham Tees Valley ("Teeside Airport"), Newcastle Airport and Leeds/Bradford Airport.
